ABSTRACT

This document is a compilation of annual data profile tables, Perkins measures, and institutional effectiveness measures and standards for South Texas Community College, 1998. Data highlights include: (1) total annual enrollment in 1996-97 was 11,508 (872 white; 29 black; 10,526 Hispanic; 69 Asian; 9 Native American; 3 international; and 81 other); (2) males made up 4,634 of total enrollment, females 6,874; and (3) the most popular majors were community health services (561), practical nursing (440), accounting (338), and administrative and secretarial services (317). Perkins measures reported on include acceptance and awards, completion of full- and part-time students; access to technical programs, and retention and remediation. Institutional effectiveness measures outlined are: (1) completion rates for full- and part-time students receiving remediation and not receiving remediation; (2) retention rates from fall to spring for full- and part-time first-time-in-college students; (3) course completion; (4) outcomes of 15 graduates over a 3-year period; (5) placement of workforce education graduates within one year of graduation; (6) technical non-completers/non-returners employed or pursuing additional education; and (7) workforce development. Data Sources:	CBM001, CBM00A Academic Year 1996-1997 (9/1/1996 - 8/31/1997)

Percents may not equal 100% due to rounding. All special population data were derived from instituion reported data on the CBM001 and CBM00A except for the gender bias totals.

[1] CIP Codes marked with an asterisk consist of CB approved continuing education certificates. Listed CIP Codes may include deactivated exit points and/or exit points closed after 8/31/1994. CIP Codes reflect the last declared major for each student. Data represent unduplicated enrollment over a full academic year.

[2] Fulltime students are those enrolling in at least 24 semester credit hours (SCH) during the academic year.

[3] Column will not equal institutional totals because: only programs active as of 4/1/1998 are included and only declared CIP Codes in CB approved programs are included.

[4] Gender bias totals were calcuated as follows: when male or female totals were at least 75 percent of the CIP Code total, the "minority" gender was counted.

[1] Data were derived by matching the Fall 1996 FTIC cohort against Spring 1997 enrollment to determine retention from Fall to Spring, and against the CBM002 report to determine whether or not each student received remediation during the Fall semester.

[2] Includes all students enrolled in the Fall semester who a) never attended college before, or b) enrolled for the first time during the prior Summer term at the institution.

[3] Includes all students who received any remediation required by TASP or locally required.

[4] Students reported on the CBM001 or CBM00A. For type of major, Tech-Prep supercedes Technical, which supercedes Academic, which supercedes Continuing Education, as reported during the Fall semester.

Percents may not total 100% due to rounding.

[1] Listed CIP Codes may include awards (degrees or certificates) deactivated and/or closed after 8/31/1994.

[2] Graduate totals may be duplicative - a student who received more than one degree or certificate during a year was counted once for each award. Column totals may not equal institution totals because only programs active as of 4/1/1998 are included.

[3] (SCH) refers to certificates offered for credit hours only, including Tech-Prep Enhanced Skills Certificates. (CEU) refers to non-credit certificates, offered for contact hours or continuing education units only.
